*Our mission is to provide home repairs and assistance for the needy in*

## Introduction to the BCCW

### **39th annual Baltimore County Christian Workcamp July 17-22, 2022**

The Baltimore County Christian Workcamp (BCCW) was founded by two United Methodist ministers in 1984. It is now run by lay people and is completely ecumenical, with volunteers of all faiths and beliefs involved. Typically each year, **35 to 50 houses are repaired throughout Baltimore County**, during one week in July, and on a limited basis during the rest of the year.

It is structured like those workcamps that many travel far from home to attend for a week or more. However, with the work sites in the County, it has become a **commuters' workcamp** where volunteers may commit for one day or as many days as their schedules allow and can sleep in their own beds each night. As a result, the cost to participate and register is very nominal. In addition to home repair, many volunteers are needed to assist with **planning and organizing efforts** during the months leading to the Workcamp, and others are needed to help with **meals, auction and other required services** during the July volunteer week.

The week begins with a **silent auction, kick-off dinner, and orientation on the opening Sunday** at our host church, Hunt's Memorial United Methodist Church in Riderwood (west of Towson).

Each workday starts with **breakfast** at the host church. After preparing a **bag lunch**, volunteer workers of **all ages and with varying skills and abilities** can choose a work site suitable to their talents and/or interests. **All types of repairs** are tackled both inside and outside -- plumbing, electrical, carpentry, dry wall, roofs, simple concrete work, ramps, porches, and steps, insulation, painting, caulking, yard work, general cleanup and other needs that might arise. Each night the volunteers meet for **dinner** at host churches and share their successes of the day and work plans for the next day. The week ends with a **special dinner and program on Friday evening**.

However, the 2020 and 2021 Workcamps were held in a limited and greatly modified format due to the COVID-19 pandemic. Work was performed following prescribed health and safety precautions. To avoid large gatherings, meetings were held virtually, and other than the orientation meeting and wrap-up gathering (both conducted mostly outdoors), no other meals were served or silent auction conducted.

We are hoping to conduct a full version of the 2022 Workcamp as described above. However, we will also be prepared to hold it in a modified version, if health precautions again require that we do so.
